Policy Area	Party Positions	Quotes from party platforms
Affordability	R: Affordability or Inflation are not specifically addressed in the platform. Proposals to cut a lot of taxes, which would save some people money but may further cut benefits for others. Several policies would actually worsen affordability for many.	Repeal Minimum Wage Law and prevailing wage laws. (28a) Eliminate mandatory sick or family leave (from Federal and State laws). (28a and b) We support repealing the 16th Amendment to eliminate all federal income taxes. We oppose federal estate taxes, payroll taxes, capital gains taxes, and gift taxes. (73) We support abolishing the following: Inventory taxes, Business Franchise taxes Taxes on phone and internet services, Firearms, ammunition, accessories and safety equipment taxes. (72) We support eliminating the property tax system for businesses and individuals by applying fiscal discipline and restraint at all levels of government, and without imposing new, onerous taxes like an income tax...(79)
	D: Affordability is the first issue in the platform. Multiple proposals to reduce costs and taxes for Texans	To lower the cost of living, we must invest in infrastructure such as roads, bridges, utilities, internet services, water supply and flood control, schools, ports, parks, and public buildings. (page 3) All working Texans should be able to afford a decent, accommodating home within a reasonably commutable distance from their workplace. (page 3) Increase income tax returns for workers by taxing billionaires, expanding the Earned Income Tax Credit, and making the Child Tax Credit fully refundable (page 4)
Voting Rights	R: Restrict voting rights, repeal Voting Rights Act	Support an amendment to the Texas Constitution that will require a majority of the voters in at least 170 counties (two-thirds), instead of a simple majority of the votes, to pass amendments. (2a) We urge that the Voting Rights Act of 1965, codified and updated in 1973, be repealed and not reauthorized. (254)
	D. Protect voting rights, make registration and voting easier	Texas Democrats support policies and programs that eliminate barriers to voting (page 29) Creating a non-partisan, citizen-led redistricting commission to ensure fairer elections and reduce political influence in the structural distribution of voters; (page 32) Increasing ballot access through automatic or same-day registration through the Texas Department of Public Safety, online registration, etc.; (page 32)

Policy Area	Party Positions	Quotes from party platforms
Campaign Finance	R: No limits on campaign contributions	We urge immediate repeal of all limits on campaign contributions by American citizens to the candidates or causes of their choice. (227)
	D: Reduce the impact of money on our elections, especially by corporations	Limit the pervasive influence of money in politics, ensuring level playing fields. (page 29) Remove or vitiate the overwhelming, disproportionate, and inherently corrupting costs and influence of unfettered money on political campaigns; (page 30) Transition Texas to more transparent public financing of campaigns & elections. (page 31) Banning unlimited corporate spending in elections; (page 34)
Education	R: Support vouchers, no mention of increasing public school funding	School Choice: We support further empowering all Texas families to choose from public, private, charter, or homeschool options for their children's education and funding that shall follow the student with no strings attached. Abolish Department of Education (108)
	D: Support for public schools, oppose vouchers, support pay raises for teachers	Universal pre-K; (page 13) Fully-funding public schools; (page 13) Base funding on enrollment, the actual costs of educating all students, including those with disabilities, and multilingual learners; Increase teacher and staff pay to competitive national levels and improve benefits, retirement security, and working conditions; (page 13) Repeal the Texas school voucher scheme and oppose implementation, expansion, and continued public funding of any mechanism that diverts taxpayer money from public schools to private institutions; (page 13) Guaranteeing each classroom has a properly certified/highly qualified teacher; (page 14)
Climate Change	R: Oppose action	We oppose environmentalism or "climate change" initiatives that obstruct legitimate business interests and private property use... (46) We support the reclassification of carbon dioxide as a nonpollutant, abolition of the Environmental Protection Agency, and repeal of the Endangered Species Act. (46)
	D: Support action	Leveraging innovation in clean energy to secure the cleanliness of our air and water, through investment in transmission infrastructure, job training, innovation, & equitable access to clean energy for America, both nationally and in Texas; (page 17) Developing a statewide climate action plan that will achieve emission reductions in Texas; (page 17) Fully fund the "Texas Emissions Reduction Plan Fund" administered by the Texas Commission on Environmental Quality (TCEQ) to offer incentives for clean vehicles and infrastructure, including electric vehicles and storage; (page 17)
